

Below is a project for North Carolina that was included at my request in the Fiscal Year 2008 Military Construction and Veterans Affairs Appropriations bill ([H.R. 2642](#)). That bill eventually formed part of the end-of-the-year Consolidated Appropriations Act ([Public Law 110-161](#)).

Project: Outlying Landing Field (OLF) in Washington County

Funding: \$ 0

Description: Funding was stripped from the bill for the Navy's plan to locate a landing field next to a wildlife refuge in eastern North Carolina. The OLF in Washington County would disrupt migratory bird movements and pose serious risks to pilots. Negotiations are underway to find an alternative site.
